The screenshot shows the GlobalExam website interface. At the top left is the GlobalExam logo. The top navigation bar includes a breadcrumb trail: "Spanish" (with a dropdown arrow), "General" (with a dropdown arrow), and "Placement test". On the top right, there is a language selector set to "English" (with a dropdown arrow). Below the navigation bar, there is a "← Back" link. The main content area features a large heading "Unlock your customized program". Below this heading is a white card with rounded corners containing the text "Unlock your customized program", "Assess your level" (in orange), and "View a complete summary of your strengths and weaknesses". An orange "Start" button is positioned at the bottom left of the card. To the right of the card is a decorative graphic of a purple circle and a yellow pencil on a notepad. Below the card, there is a link that says "I already know my level".
